

The Kappas Capped the Spotlight

What wonders these "Greeks" do perform!

In the midst of the pre-Christmas activities, the honorable Kappa Alpha Psi Fraternity of this locality "caps" the spotlight. Their formal dance Friday evening at Russian Hall was about the sweetest thing put over by any of the "Greek" orgs this season. It was colorful . . . mellow . . . enjoyable . . . exclusive! It was cozy and snug and warm beneath the soft lights. The moosic was soothing . . . red and yellow tissue ribbons formed a ceiling that billowed and swayed as if in rhythm to the gay tunes and gayer hearts. To say one had a good time is expressing it mildly. It was "scrumptuous," I declare!

The sponsoring Kappas include the handsome, too, too gallant Henry W. Alston, John H. Alston, Jr.; Dr. Roy T. Anderson, Dr. Joseph Avent, Edward W. Bailey, Dr. Frank C. Brasefield, George H. Cook, Dr. William H. Cuthbert, William Goode, Clarence H. Hamilton, Robert G. Hamilton, Oscar Harris, Dr. Bailey O. Holland, Marshall S. Johnson, James Lewis, Peter Rembert, Saul F. Tolliver, James Willis, Ralph O. Barnett, Benjamin F. Duncan, Jr.; Moses H. Edwards, Lorenzo A. Hill, William C. Jones, Horace E. Palmer, Jr.; Samuel Snead, William E. Snyder, Russell T. Washington. Doing excellent stooge duty were pledges Watson C. Blake, William Haines, Reed Littlejohn, Herndon Sneed and Archie Youngblood.

Oh, you know they did the Kappa snake dance . . . it was gangs of fun and we all felt like joining them.
