## Foreword

The art form known as “zooming” is a long-standing Kappa tradition. Its origins I do not know. From generation to generation these rhythmic limericks have been passed down from Nupe to Scroller. Strictly for entertainment, the Kappa’s have used these rhymes to tell stories of their prowess and domination, while making fun of all, including those that they love and respect. In fact, the truth is that if the Nupes are not zooming on you, then they have no love or respect for you. I was introduced to the art as a Scroller in 1979 at the Beta Epsilon chapter - BE, otherwise known and respected as The Beast of the East. I listened, I learned, I adopted and adapted. This compilation is your invitation to do the same.

The late 70’s and early 80’s was a pivotal time in our culture. Rap music was in its formative stages and zooming fit right in. Coincident with the inherent evolutionary process of moral degradation, Gangsta Rap evolved from within the Rap music genre. So too, zooming has evolved. A fusion between zooming and rapping has taken hold. The marriage has produced an offspring, a new zoom form has been born and we call it “zapping”. To preserve the original style and cadence associated with zooms, all of the zooms in this book are presented in “traditional zoom-form”. However, it should go without saying that any zoom can be delivered traditionally or in the “freestyle zap-form”.

Before proceeding further, a disclaimer and cautionary note is warranted. First, men of Kappa are noble, respectful, and honorable - always. Our noble fraternity has not, does not and would not endorse or condone any of the portrayals depicted herein. On the cautionary front, the content of this book includes explicit language and graphic descriptions of various acts of vulgarity. Exclusion of such would otherwise render the zooms dysfunctional! Yes, these Nasty Nupe rhymes are indeed - Nasty! The vernacular includes liberal application of the words nigga, shit, piss, ass, dick, pussy, clit, twat, fuck, bitch and ho. For those that consider use of such vocabulary to be offensive, then be forewarned – if you proceed further, you are about to be offended without apology! Therefore, as a fully accredited, Doctor of Zoomology, it is my obligation to say to you, “We don’t mean to offend or become your nemesis. So, all you sensitive types ought to vacate the premises!” Translation – Put this shit down! Rip it up! Nupes is ‘bout to wreck dis mutha fucka!

**Come Sunday morning I read my bible and pray.**

*Zoom-Zoom, Zoom-Zoom*

**In my book of Genesis this what it say.**

*Zoom-Zoom, Zoom-Zoom*

**In the beginning the yard had no form.**

*Zoom-Zoom, Zoom-Zoom*

**So God brought about a terrible storm.**

*Zoom-Zoom, Zoom-Zoom*

**He turned the sky Crimson, the clouds He turned Cream.**

*Zoom-Zoom, Zoom-Zoom*

**Not from dust, but from diamonds, He formed The Kappa Supreme.**

*Zoom-Zoom, Zoom-Zoom*

**He gave Nupes dominion over all yards to claim.**

*Zoom-Zoom, Zoom-Zoom*

**Then He brought forth low creatures for the Kappa to name.**

*Zoom-Zoom, Zoom-Zoom*

**The Nupe named the Ques - "Dogs", they were lower than maggots.**

*Zoom-Zoom, Zoom-Zoom*

**He called the Sigmas - "Punk Skaters". The Alphas - "Gay Faggots".**

*Zoom-Zoom, Zoom-Zoom*

**Now God didn't want the Nupe to be alone.**

*Zoom-Zoom, Zoom-Zoom*

**So He created fine women for the Kappa to bone.**

*Zoom-Zoom, Zoom-Zoom*

**A-K-A's, Deltas, Zetas, SG-Rhos.**

*Zoom-Zoom, Zoom-Zoom*

**Girl friends, wives, side pieces and hoes.**

*Zoom-Zoom, Zoom-Zoom*

**He said, "Let there be Nupes ruling all yards."**

*Zoom-Zoom, Zoom-Zoom*

**"They shall mack all the bitches. I give them playa cards."**

*Zoom-Zoom, Zoom-Zoom*

**So the Kappa went forth to multiply.**

*Zoom-Zoom, Zoom-Zoom*

**He created a motto and called it Phi Nu Pi.**

*Zoom-Zoom, Zoom-Zoom*

**To set himself apart when he came strolling down the lane,**

*Zoom-Zoom, Zoom-Zoom*

**He added to his moves that twirling cane.**

*Zoom-Zoom, Zoom-Zoom*

**God looked upon the yard and saw that all was good.**

*Zoom-Zoom, Zoom-Zoom*

**For the Nupes were so smooth the way they swung that wood.**

*Zoom-Zoom, Zoom-Zoom*

**God knew his work was done so He finally took a rest,**

*Zoom-Zoom, Zoom-Zoom*

**He looked down upon the yard and said "The Kappa is the Best!"**

*Zoom-Galley-Galley-Galley, Zoom-Galley-Galley*
